Finance Discussion

Spring cleaning mentioned. Sometimes in March or April. Possibly renting a dumpster.

Introduction of sales tax. Needs exact wordage then add to ballot. Positive feedback from the public.

Lions Club Battery Back up Program. Need to see if anyone (elders, handicap, etc) needs battery backups. Corey to get more information

Capital Outlay Application. James writes grants. There is a 1.9 million dollar grant and we'd like to build a recreation center (pavilion) for the town. The town can make money by charging rental fees. It could also be used as a storm shelter. We need to apply by October 26, 2025.

Grants discussion. There is a class on November 6 & 7 for writing grants. Savanna and Keila will probably attend. Cost is \$595 per person.

Brent gave a police update. Two of the cars are still in Port Vincent's name. However, we can move forward on the other vehicles getting them auctioned, sold, or donated. We are keeping two. Brent will be going to get his post certification in January. It's a huge liability for him not to have it.

Subdivision regulations update. We are having these written by Bill Vasso.
Resolution was made to extend the Residential Moratorium by 90 days. It was enacted in August.
Possibly need a Commercial Moratorium. Nick made a motion to accept and Corey seconded.
